

REMARKS

Claims 1-13, 17, and 20-25 are now pending in the application. The purpose of this Supplemental Amendment is to further amend claim 17 to call for a step of connecting a driver IC to the first wiring at an IC mounting region of the second substrate. Favorable consideration of this Supplemental Amendment is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,
